- + It all started for me with making mixtapes in high school (I would mix The Cure and Nine Inch Nails vocals together to form sentences). Since then, my passion for radio and music has never stopped.
- + For the past 10 years, I have been fortunate enough to be the Music Director for THE MIX. My husband and I live in the city with our 9 year old son, who might I add, has attended every Lollapalooza since he was 3! (P.S. Kids under 12 are free and kiddipalooza is great!) I've always had such an appreciation for many different types of music.
- + I LOVE talking to MIX artists, so having the opportunity to do this show falls right in line with what I was always destined to do. BUT, when the music stops, you'll either find me at a Cubs game, schooling people on all things Michigan State, and/or having a glass of wine on any patio that's open.

- + Whip has worked in Chicago radio for literally half his life. He was born in Blue Island, but lived on the Northwest Side of Chicago for his first twelve years, then moved to the Western Suburbs, then went to the University of Illinois – where he studied broadcast journalism, and still remembers the people there who told him not to get into this business, because it's too unstable.
- + He also likes to say that he's done a lot of broadcasting in his career, and just a little bit of journalizing...meaning, that his studies have come in handy. He enjoys reporting news, but hates reporting traffic, although he makes a point of trying not to cry about it in front of people when he's asked to fill in for Violetta. Whip now lives with his wife Stacy, daughter Tori, and two sons Kyle and Alex in the Northwest suburbs, after spending the formative years of his adulthood living on the North Side.
